

BC NRP Instructor Trainer Candidate: Letter of Support

I am writing this letter on behalf of _____ Health Authority in support of _____ (name of applicant) request to be developed as a Neonatal Resuscitation Program (NRP) Instructor Trainer.

Please check boxes:

The applicant meets all of the following eligibility requirements:

- Current CPS NRP Instructor status
- Taught a minimum of 9 NRP provider courses within the past 3 years
- Current licensure as an RN, MD, RM, or RT
- Current and relevant neonatal resuscitation experience
- Has a sponsoring health authority

I have reviewed the NRP Instructor Trainer Development in British Columbia document and am:

- Aware of the eligibility criteria, pre-requisites, and development process.

I acknowledge that NRP Instructor workshop participation and mentorship with an NRP Instructor Trainer do not guarantee NRP Instructor Trainer status.

- If the applicant cannot demonstrate abilities to evaluate and support NRP Instructor Candidates during the NRP Instructor workshop and Team Teach Components, the applicant will be deemed unsuccessful.

I acknowledge that the health authority's support is integral to the success of NRP programming and education. Our health authority and institution are committed to providing financial and operational support for the:

- Candidate to complete the required NRP Instructor Trainer Development Components.
- BC NRP Instructor Trainer to attend BC NRP Instructor Trainer Meetings (four meetings per year), and NRP Update activities.

I am confident that _____ (name of applicant) after completion of the NRP Instructor Trainer Mentorship will:

- Support/ evaluate NRP Instructor candidates during Team Teach session(s) within the health authority.
- Support NRP programming in the health authority in accordance with national and provincial guidelines.
- Mentor and be a resource for NRP Instructors within the health authority.
- Demonstrate the requisite knowledge, skills, and confidence to work with the members of the interprofessional team.
- Become a contributing member of the BC NRP Instructor Trainer Committee and participate in developing provincial newborn resuscitation standards and guidelines.
