

Perinatal Services BC

An agency of the Provincial Health Services Authority

The PSBC guideline you are looking for; Guideline 3: ***Herpes in the Perinatal Period***, is no longer available.

This guideline has been replaced with a more updated clinical practice guideline from SOGC: “***Guidelines for the management of Herpes Simplex virus in pregnancy***” – June 2008.

This SOGC guideline can be found at <https://sogc.org/wp-content/uploads/2013/01/gui208CPG0806.pdf>
