

# Are you early in your pregnancy?

## This research project on prenatal screening may be of interest to you!

This is a randomized controlled trial where two thirds of women will receive **FREE** NIPT and one third will receive the current standard of care (maternal serum screening: SIPS or IPS)

NIPT – Non-invasive prenatal testing

### To participate you must:

- Want prenatal screening for Down syndrome**
- Be less than 14 weeks pregnant**
- Be pregnant with only 1 baby**
- Not intend to pursue self-pay NIPT**
- Be able to come to BC Women's Hospital in Vancouver for one in-person appointment**
