

Dynacare, provider of the Harmony NIPS test, is the vendor for funded NIPS. Please use the PGSP/Dynacare Funded NIPS Requisition (available from our website bcprenatalscreening.ca) when ordering the test, and direct your patient to one of the sites below. All collection sites are outpatient labs – *call for hours of operation*. The patient does not need an appointment, but the requisition must be completed fully, including the authorization code, and must be signed by the ordering health care provider, AND **SIGNED BY THE PATIENT** to avoid delays in results. All information available at: www.bcprenatalscreening.ca/NIPT.
