

There are two self-pay NIPT tests – Panorama and Harmony, which can be ordered from multiple suppliers. Blood collection sites are listed below. Prices reflect screening for Trisomies 21, 18, and 13. Additional costs for other options will apply and vary by company (i.e. gender, sex aneuploidy, microdeletions). Prices are subject to change without notice.

Panorama™ Non-Invasive Prenatal Testing (NIPT)

- Learn more about the [Panorama™ NIPT test](#).
- Price: \$550.
- Offered through LifeLabs.
