

Percent Distribution of Deliveries by Health Care Provider Type (%) and Facility

British Columbia
April 1, 2017 to March 31, 2018

Provider type (%)

Obstetrician

Surgeon

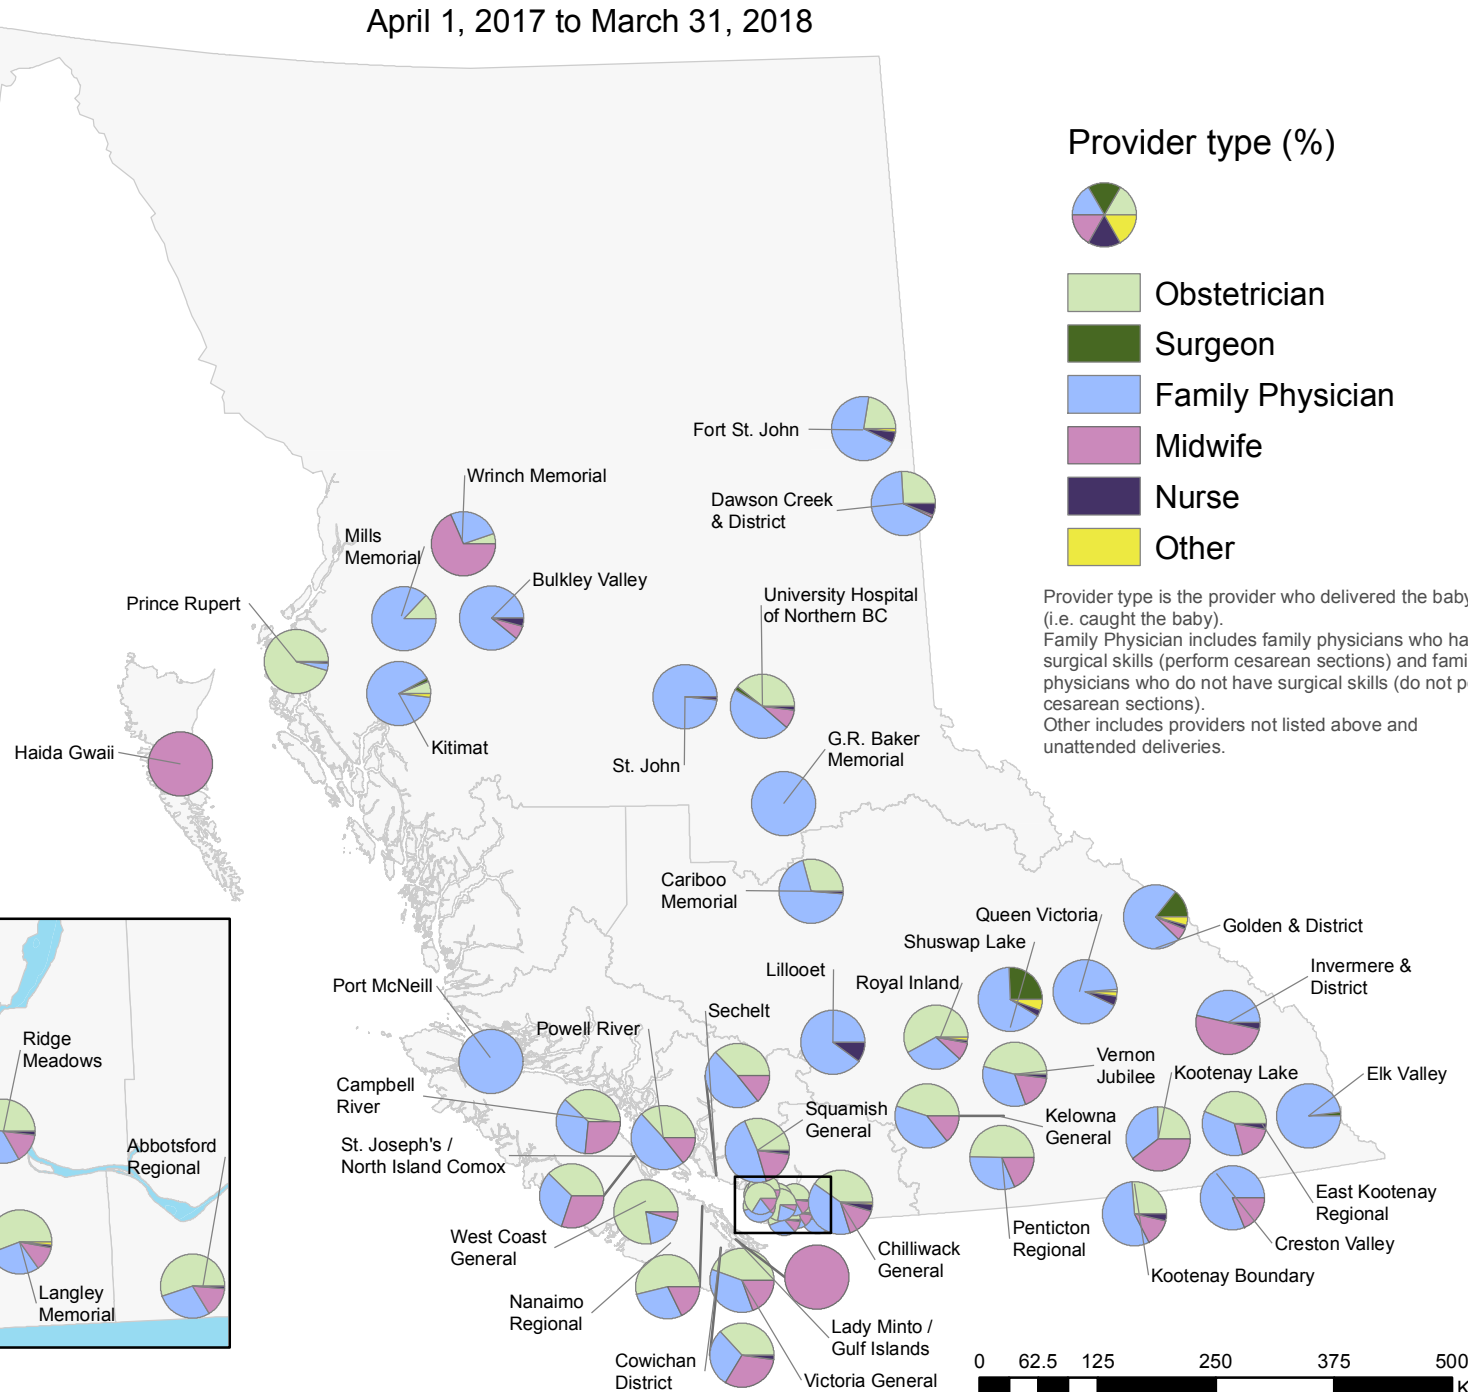

Family Physician

Midwife

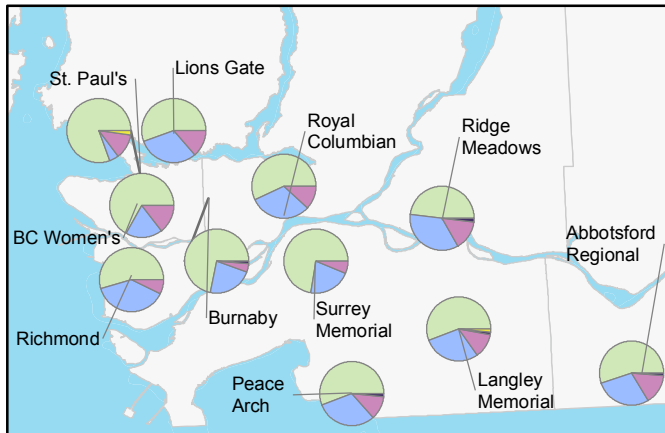

Nurse

Other

Provider type is the provider who delivered the baby (i.e. caught the baby).
Family Physician includes family physicians who have surgical skills (perform cesarean sections) and family physicians who do not have surgical skills (do not perform cesarean sections).
Other includes providers not listed above and unattended deliveries.
